9:00 AM - 11:20 PM**

**WHERE: CORNER OF TEMPLE AND BERWICK**

**DRESS: BLACK LONG PANTS AND MONTE VISTA SHIRT, LAS COLINAS SHIRT OR  
YAA T- SHIRT AND COMFORTABLE SHOES**

Students must check-in with their band directors on the corner of Berwick and Temple. Please remember, all of Temple Avenue is closed to traffic at 8:00AM that morning. Las Posas is closed to traffic between Charter Oak Drive and Loma Drive at 9:00AM. Give yourself plenty of time to arrive; traffic is very congested that morning.

Students are to wear black long pants and their Monte Vista, Las Colinas or YAA T-Shirt. No shorts. Please remember to wear comfortable walking shoes. Students will be wearing Santa hats. If your student has his or her own Santa hat, bring it that morning. We will provide a Santa hat for students who do not have one.

Students can decorate their instruments with tinsel and bows. Make sure the decorations do not interfere with playing. Students might consider purchasing a lyre so they can march carrying their music. Most students find it easier to memorize the music than trying to use a lyre.

It takes approximately one hour to march the route. Remember your student will be done before the the parade ends. **Please pick up your students by 11:20am at the Community Center**, 1605 E Burnley. You can watch the rest of the parade at the corner of Carmen and Burnley. Remember that Carmen is closed to traffic between Burnley and Las Posas and you will not be able to park in the Community Center parking lot. Parking is available at Camarillo City Hall.
